

NORTHERN  COLORADO
HEALTH SECTOR PARTNERSHIP

Jonas McKinley, Co-chair

Sector Partnerships

Mission

The Northern Colorado Health Sector Partnership brings together key stakeholders to promote and improve health within our communities. We will collaborate across disciplines, organizations and communities to seize opportunities, solve problems and celebrate successes in the region.

Values

Our collaborative actions will increase the overall health of our communities.

We will have diverse, regional partners at the table to ensure outstanding networking and collaboration opportunities.

We will affect change.

We will consciously share and develop resources to solve big issues.

Action and Participation are key to our long term success and will be celebrated and held in high esteem.

Partners

You, yes you

Sector Partnerships

Outreach

Inform the public about the Health Care Sector Partnership and create opportunities to dialogue with the healthcare industry

Workforce

Address the talent pipeline for the healthcare industry in Northern Colorado

Behavioral health

Establish greater collaboration among behavioral health and mental health service in Northern Colorado

PASRR

Impact significant changes to the Preadmission Screening and Resident Review process in Colorado

Nursing

Address nursing talent shortage by addressing training and resource barriers

How it works

- Goal: Work with our education partners to create Medical Assistant education program that meets the needs of the variety of health care providers in Northern Colorado.
- Result: Colorado Community College system revised its Medical Assistant curriculum to reduce tuition cost and time needed for completion.
- Result: Front Range Community College introduced a new MA program in Fall of 2017. Aims Community College now using new curriculum.
