HEALTH SECTOR PARTNERSHIP

Mission

The Northern Colorado Health Sector Partnership brings together key stakeholders to promote and improve health within our communities. We will collaborate across disciplines, organizations and communities to seize opportunities, solve problems and celebrate successes in the region.

Values

- ❑ Our collaborative actions will increase the overall health of our communities.
- ❑ We will have diverse, regional partners at the table to ensure outstanding networking and collaboration opportunities.
- ❑ We will affect change.
- ❑ We will consciously share and develop resources to solve big issues.
- ❑ Action and Participation are key to our long term success and will be celebrated and held in high esteem.
